Detroit Lakes Tournament : Thank you to all our tournament sponsors and those of you who were able to help. We had a wonderful day of Martial Arts Competition. Our new Fight Scene Competition entertained the crowd. I am very proud of you all! We still have some T-shirts left if anyone would like one.

New Students May Join Now!: Now is a great time to get involved in one of our Martial Arts programs. With reduced class sizes in the summer students get awesome attention and we have more time to work on fun new drills and skills. If you or any one you know would like to try class out let them know now is the best time.

New Black Belts: Three students tested for Adult and Jr. Black belt May 21st. Congrats Ms. Mikayla, Mr. Hunter (board break left), and Mr. Jacob A. on a great test. Wish those students who are testing for second Poom luck also. Mr. Nick, Mr. Ben, Mr, Ryan, and Ms. Ariana will be traveling to Bemidji June 25th to test in front of Grandmasters Spencer and Cindy Brandt.

Self Defense Seminar: The August Adult Self Defense seminar is scheduled for the 2nd-30th and will be Mondays from 7-8:00pm. These seminars are great for beginners and those who would like to review skills they have learned before.

Jr. TKD Summer camp: Summer is a great time for Tae Kwon Do training. We will be having an over night camp at the gym. It will begin at 5p.m. on Friday the 17th and end at 5p.m. Saturday the 18th. The total fee for camp will be \$40. All food and activities will be included. Please feel free to invite non-Tae Kwon Do friends. We will be reviewing basic technique, playing TKD baseball, Crab soccer and learning plenty of new skills as well. All students should have their uniform, something to sleep in a sleeping bag and pillow. Please make sure you are registered by the 14th.

Jr. Brandts Association Camps are a great time for our youngest students to train with My instructors Grandmasters Spencer and Cindy Brandt. There are many options for day and overnight camps this year. Please check out their website www.brandtstk.com for info.

Demos: We will be having a demo team practice during the Jr. Summer camp at 10am Saturday morning. If you are unable to make it to the whole camp please try and make it to this practice.
